By signing this form you acknowledge that you have read, understand your obligations with respect to, and will abide by:-

- The Club Constitution
- The Club Safety Policy
- The Club policy on the Protection of Children & Vulnerable Adults
- The Accident Reporting process

Please note that all applicants are expected to achieve the SAA Bronze award within a suitable period as agreed with the club committee.

Drones are permitted at our club as long as the pilot is qualified and has the relevant insurance for recreational use. Our Club is for recreational purposes only, and as such we cannot accept persons who are intent on using our training and recreational set up, to assist them in achieving any personal gain. All drone flyers have to comply with club rules, SAA rules and any rules by the CAA. Note ** FPV requires a 'Buddy' for line of sight assistance.
